RESEARCH INTERESTS Innovation Management, Intellectual Property Management, NLP& LLMs and Patent Analysis, Innovation Economic Geography, Green Innovation

EMPLOYMENT **Tongji University** Shanghai, China
Assistant Professor, Shanghai International College of Intellectual Property 2026.03 –

EDUCATION **University of Tokyo** Tokyo, Japan
Ph.D in Technology Management, School of Engineering 2022.04 – 2025.03
Supervisor: Prof. Kazuyuki MOTOHASHI
Thesis: Semantic change-driven patent innovation measurement: Integrating content and citation network indicators and its empirical study on market value

Beijing University of Posts and Telecommunications Beijing, China
M.S.& B.E. in Computer Science, School of Cyberspace Security 2013.09 – 2020.06
